WHY AM I RUNNING?

TRIGETHER

Dear Triathlon Friends and Colleagues,

It is with great enthusiasm and a deep sense of responsibility that I announce my candidacy for the Presidency of World Triathlon. Having dedicated over 14 years of service, the last 8 as Secretary General, We have witnessed firsthand the remarkable evolution and growth of our organization and of the sport of triathlon. Now, We are eager to lead us into a new era of excellence and innovation.

My candidature is your candidature for President, as many of you have requested me to run for the Presidency. It is a team candidature that is willing to keep developing the sport of triathlon worldwide.

The new sport environment worldwide is requesting us to introduce new decisions, with the growth of private organisers, the new digital era and the development of our sport in the developing National Federations. We are proposing you to review the structure of our events and to reinforce the commercialization of all our assets, in order to be able to support the development of the sport among all National Federations, using our Continental Confederations as our key partners.

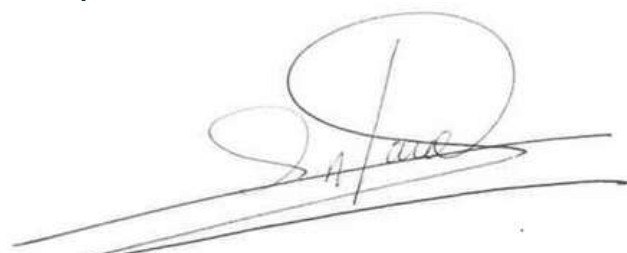

World Triathlon, needs to play a key role in the sport of Triathlon, with all the private organisers, we will need to reinforce our role of governing body of the sport, becoming the key entity for uniting the sport in the benefit of all athletes.

The athletes and the NFs are the core of our project. TRI should be serving them and the persons that hold any responsibility in the organization, we will be serving the organisation in this target. It is only by working all of us together that we will continue developing our sport even further.

I am requesting your support to keep growing the sport, let's work

TRIGETHER

Yours in sport,

Antonio Arimany

A NEW FUTURE FOR TRIATHLON

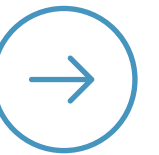

Strategic goals and initiatives for my Candidature for the presidency of the World Triathlon.

1. Enhance commercialization of our assets

Develop strategies to increase the marketability and financial growth of World Triathlon assets.

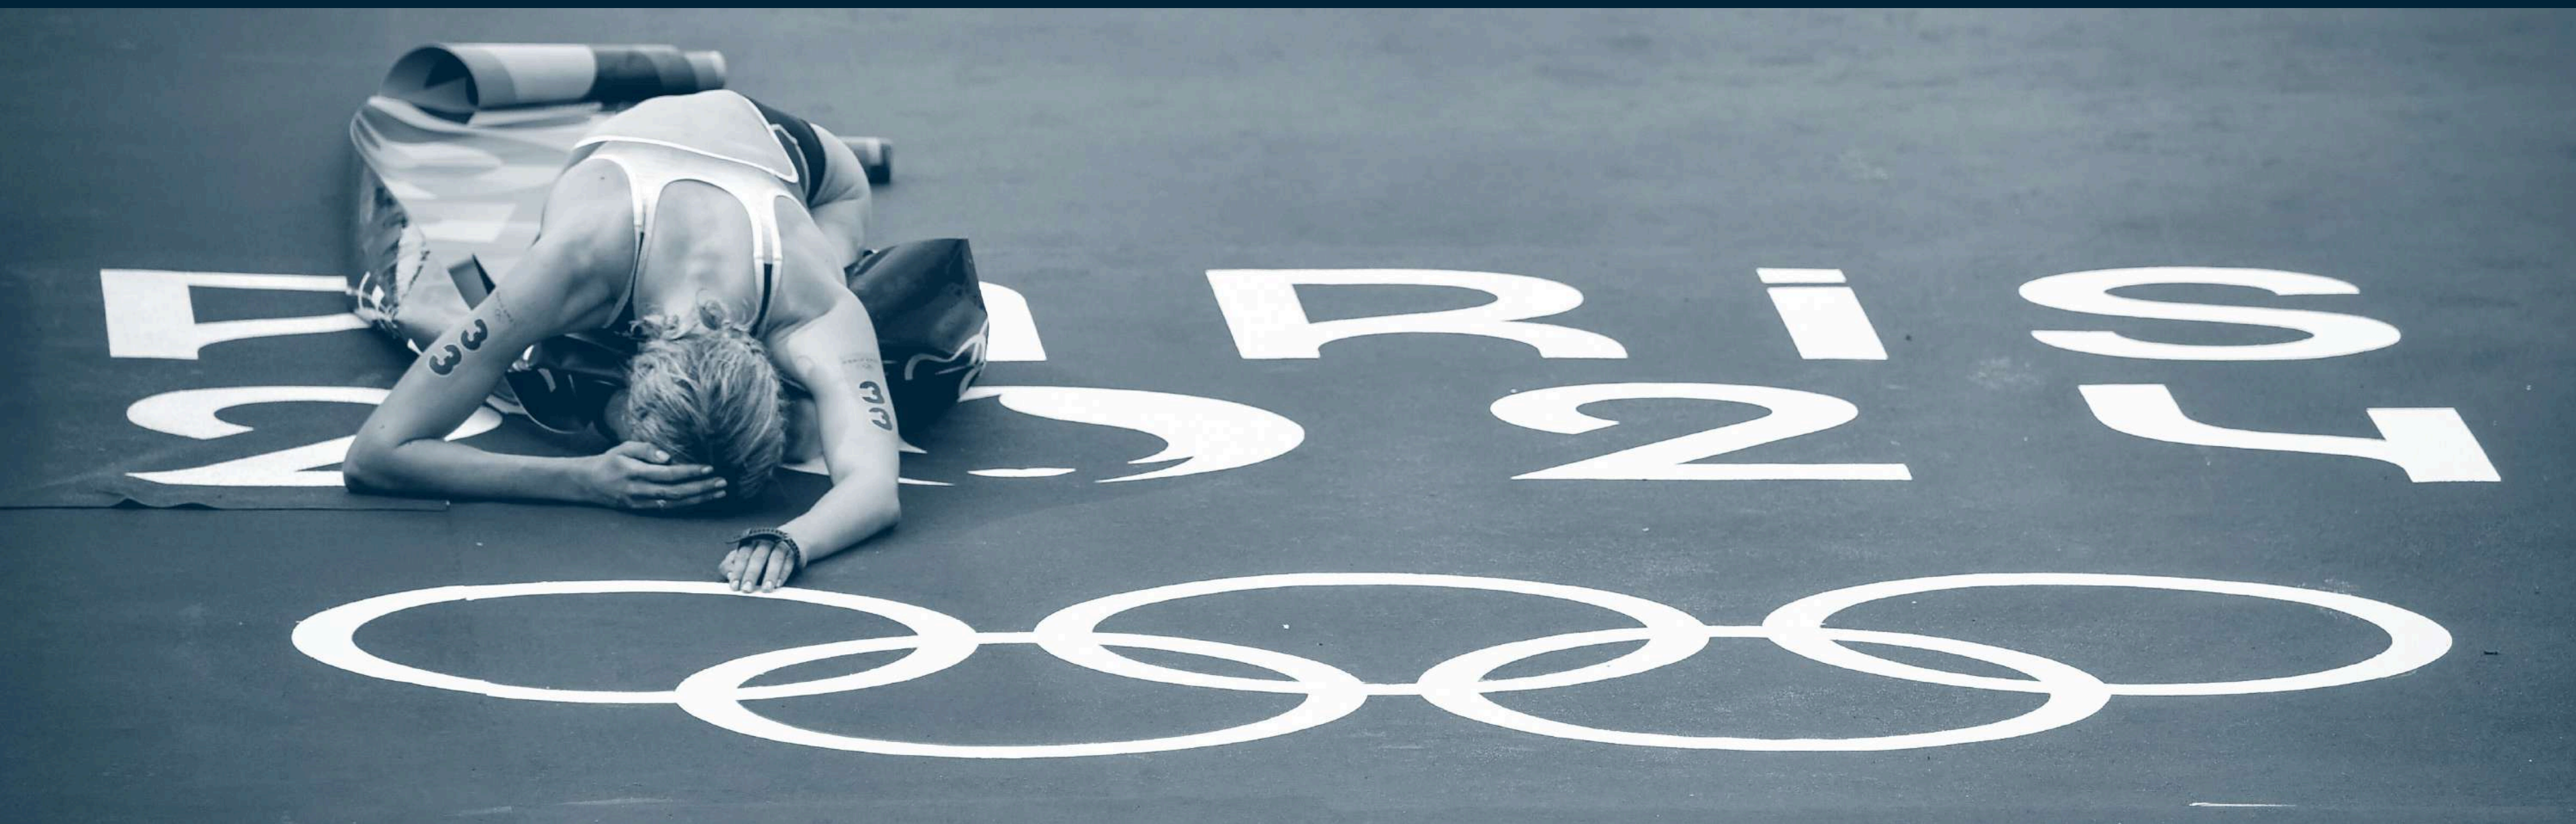

2. Redefine event structures

Innovate and restructure events to improve engagement, increase audiences, engage with new sponsors and increase TV and social media coverage.

3. Promote the new delivery model

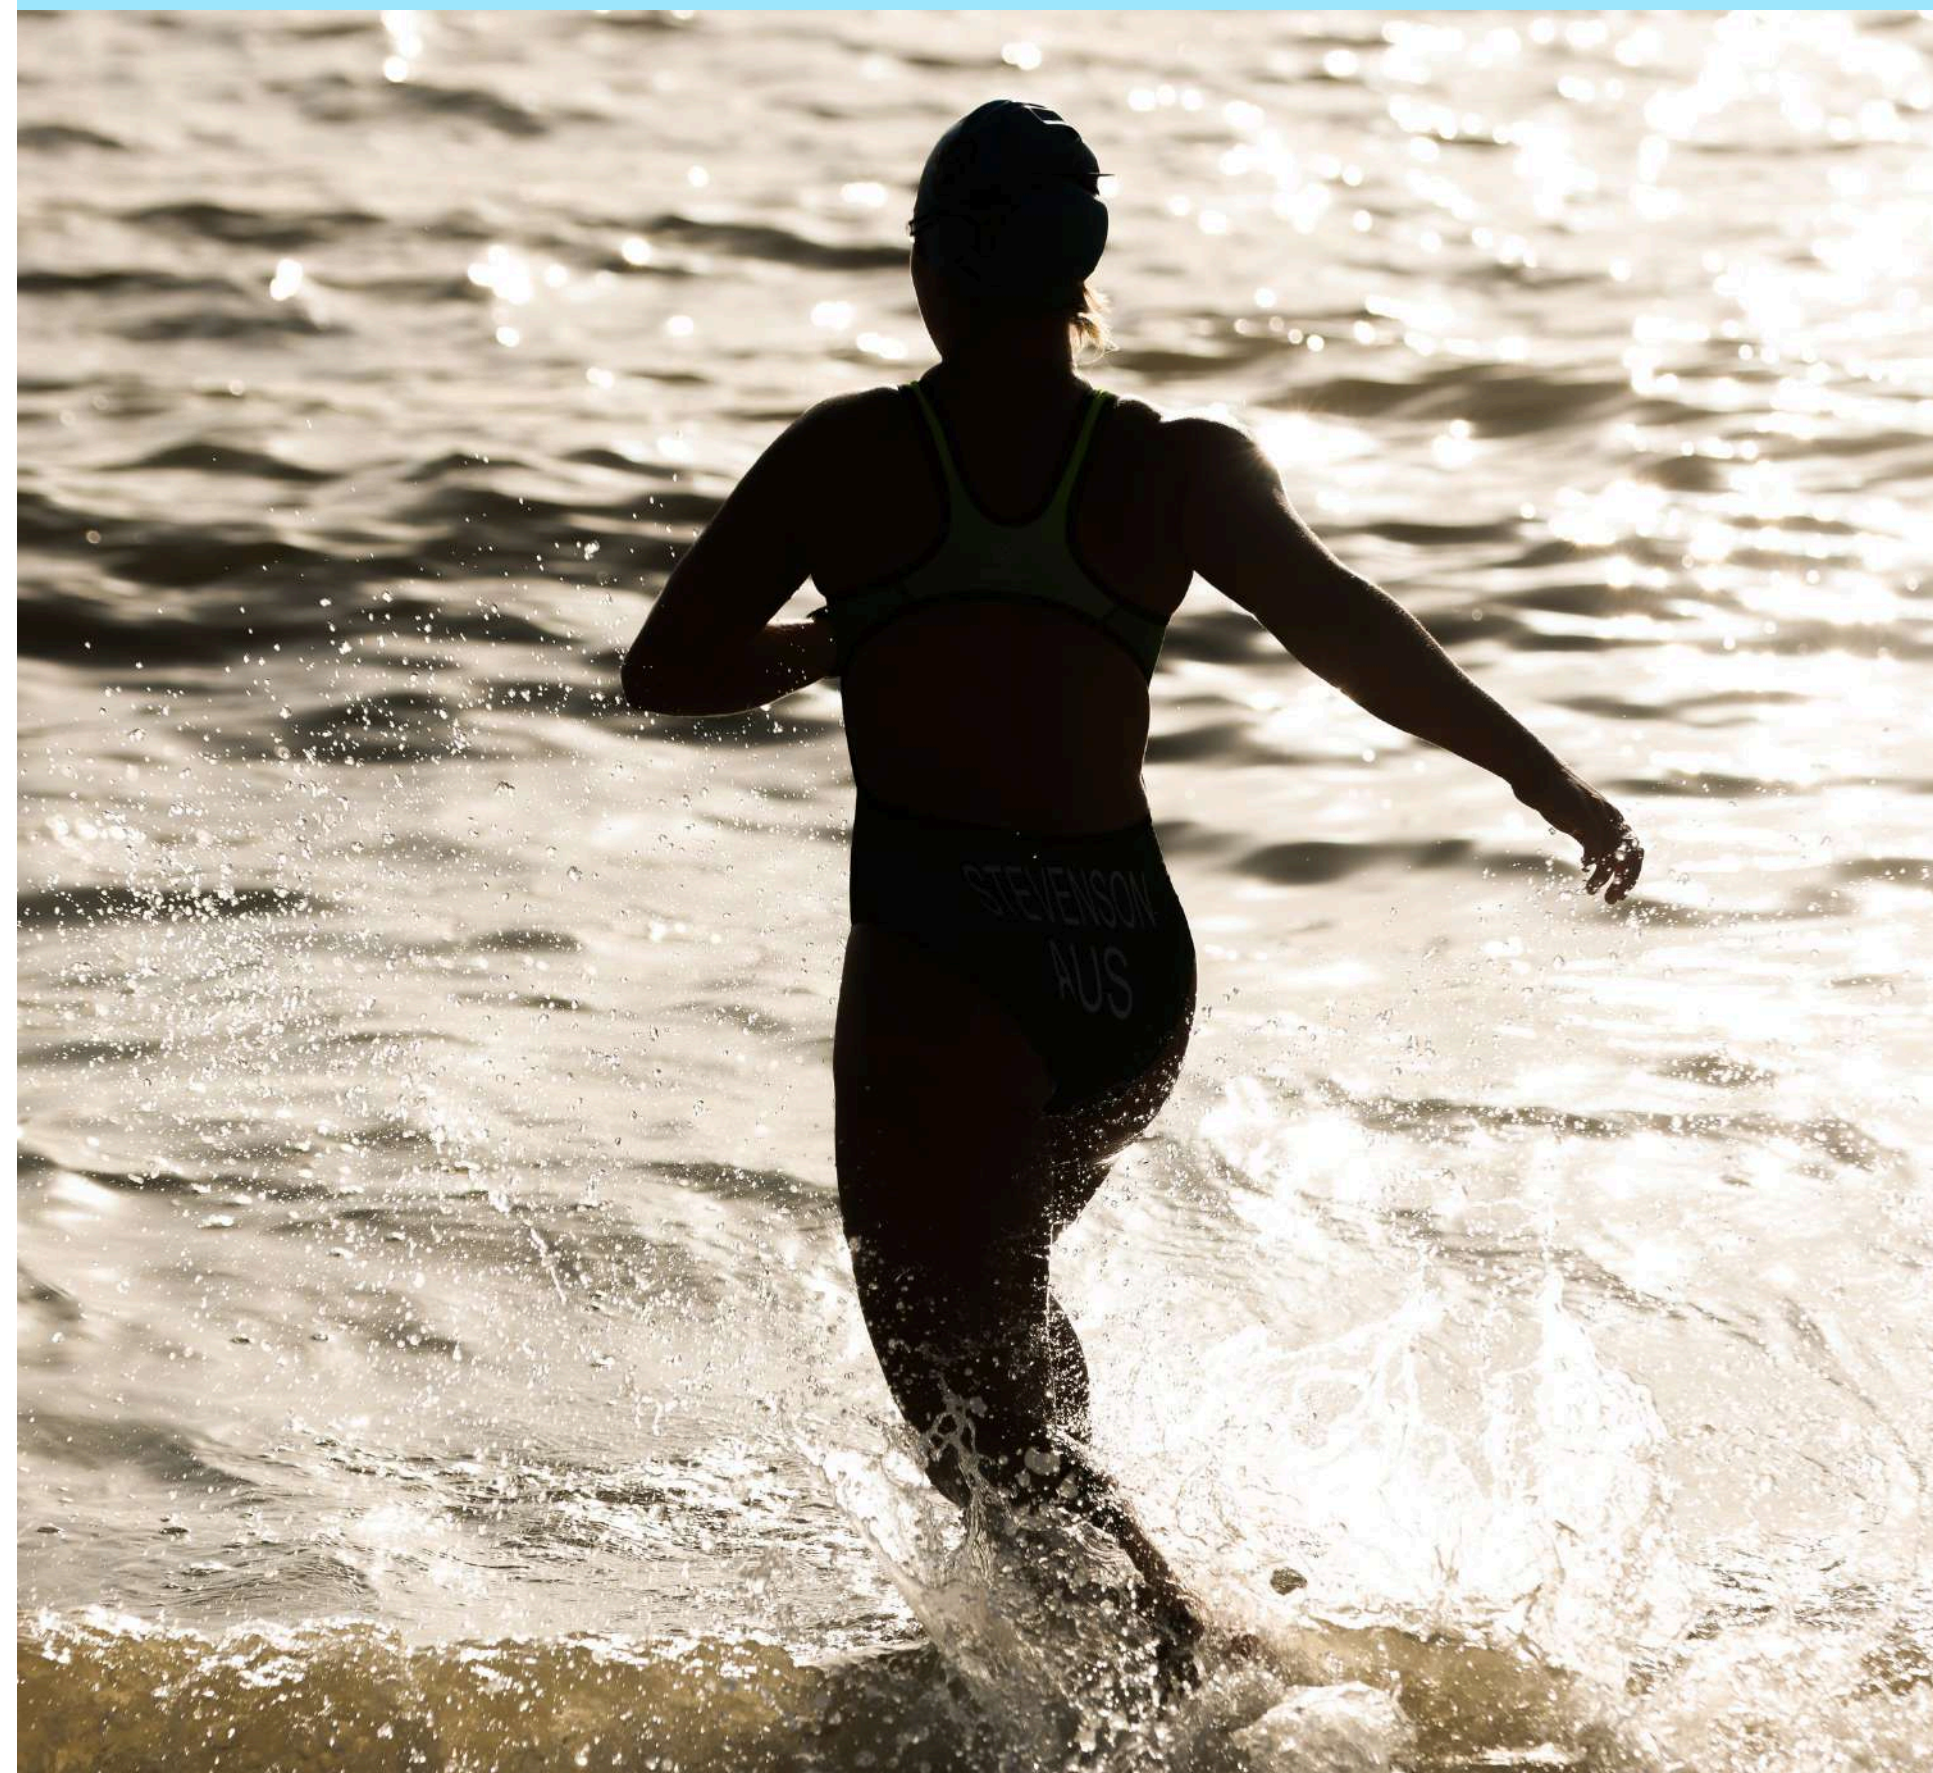

Advocate for the adoption of the innovative event delivery model showcased in Paris, emphasizing its benefits and successes. To be implemented in our main events too.

4. Enhance and promote triathlon education

Promote the TRI Education & Knowledge Hub as the main education tool for the sport of triathlon, to spread the knowledge of our sport among all National Federations and Triathlon stakeholders worldwide.

5. Support National Federations

Provide resources and assistance to National Federations, through Continental Confederations, to help them organize and promote triathlon events and teams within their countries.

6. Increase presence of CCs in development

Foster greater participation and collaboration of the Continental Confederations in executing Development initiatives, while also integrate Continental Confederations in the governance and decision-making processes of TRI.

7. Redefine World Triathlon operational structure

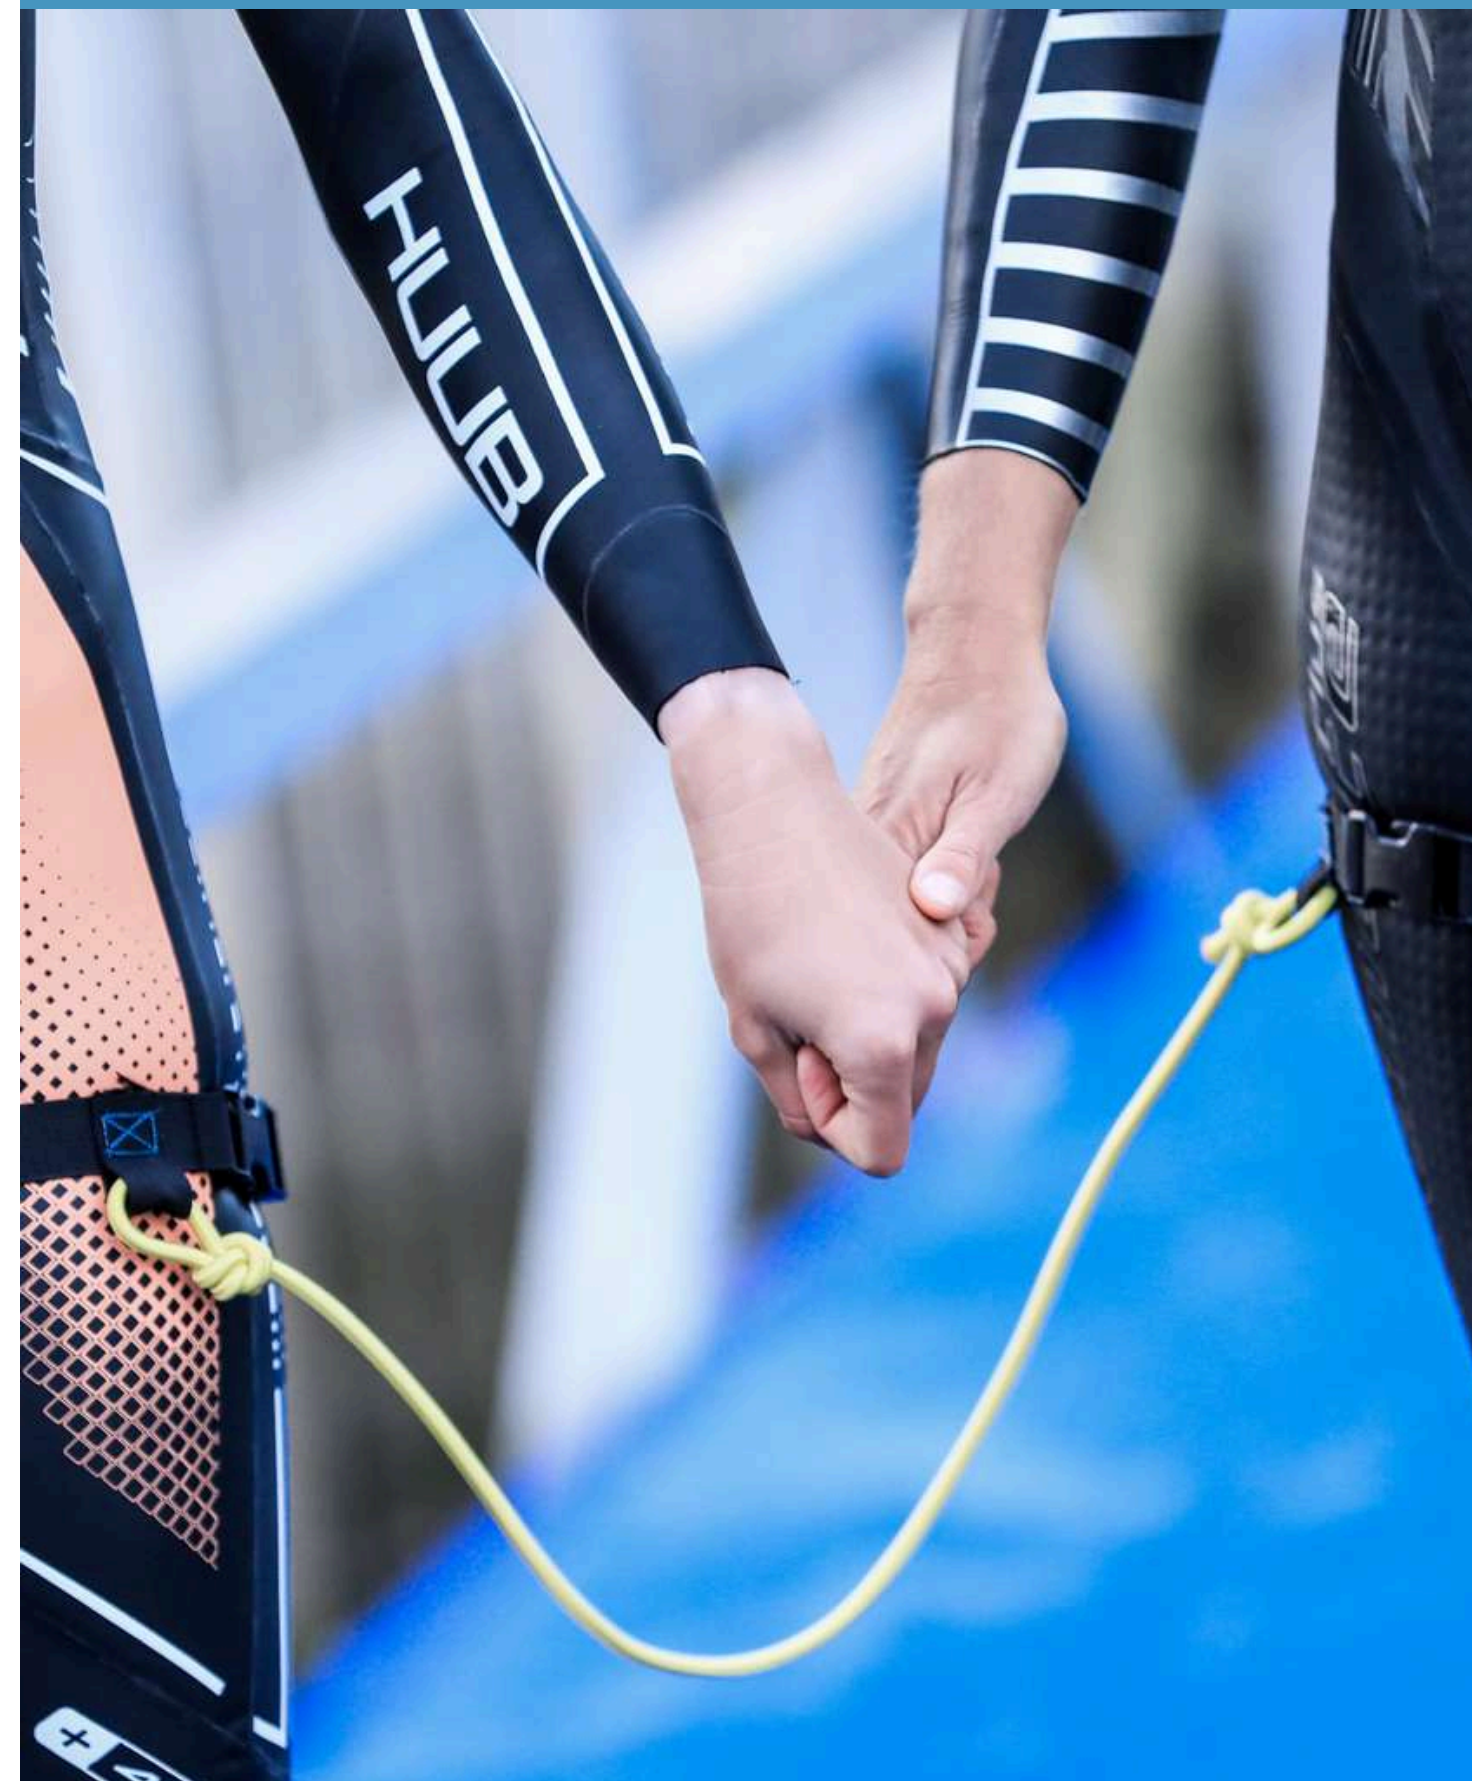

Revise and optimize the operational framework of World Triathlon for improved efficiency and effectiveness, and engage the Executive Board actively in projects to drive growth and innovation within the sport.

8. Increase presence in Olympics & Paralympics

Consolidate and enhance the Federation's influence and performance in the Olympic and Paralympic Games, advocating for increased athlete quotas and events. The relationship with the IOC and IPC is key to guarantee our growth within the Olympic and Paralympic program.

9. Integrate TRI in the new E - Sport Games

Position World Triathlon within the emerging landscape of the E-sport Olympic Games to expand its reach and appeal to new audiences.

10. Sustainable growth of the sport

Work with stakeholders to continue growing the sport in a sustainable and efficient way to guarantee the future of TRI events in All Continents.

TRIGETHER

1

Stability for growing

We are committed to constant evolution. Changes will be implemented from a solid foundation of stability, and we will be able to start in 2025.

2

Spain's Commitment to TRI

Spain has always been a strong supporter of TRI, especially during the most challenging times. Throughout the years, our country has organized all type of competitions that have kept the spirit of triathlon alive.

The Spanish Government reaffirms its commitment to continue providing the Madrid Office, ensuring its backing in the future.

3

Strong relationship with IOC & IPC

I keep good relations with the IOC & IPC, thanks of my positions as VicePresident of The Court of Arbitration of Sport and Chair of ASOIF legal group.
